The Scooby Snax Band is a high energy, four-piece cover band, whose showmanship, talent, and virtuoso are what set them apart from all the rest. Their musical diversity is made evident by their extensive song list, which spans six decades. Each member can sing lead vocals, which allows the band to adapt to every song style. Founded in 1993, by longtime friends Jay Buckley and Will Motroni, The Scooby Snax Band has become one of the finest cover bands on the Boston club scene. Through the late 1980's and early 1990's, Jay and Will performed together in various bands, playing original music, as well as cover songs. During that time they played in some of Boston's hottest music clubs, including The Paradise, The Channel, The Rack, The Harp, The Purple Shamrock, and The Green Dragon. Through it all, Jay and Will stuck to a pretty simple plan - play the music that people want to hear, play it well, and have fun doing it!
